OK I'm pulling out the backseat lover
Oh I'm so hypnotized
I'd rather sleep than sit and watch you cry
It's up to you if you can validate
I'd rather die than sit and watch you wait
It's time to go and then realize
That you're the one I truly despise
Oh, so we're there and it's time to pack
I'd take you back

I can't believe one thing you say to me
I almost let you meet my whole family
This goes backwards, up, this and anyway

HEY! HEY! HEY! HEY! HEY! HEY! HEY! HEY! HEY!

OK I'm pulling out the backseat lover
Oh I'm so hypnotized
I'd rather sleep than sit and watch you cry
It's up to you if you can validate
I'd rather die than sit and watch you wait

I can't breathe anymore
I'm telling your lies, I'm telling your secrets, I'm telling
on you
I can't see the score
I'm taking it back, I'm taking it back, I'm taking it
[x2]

I can't believe one thing you say to me
I almost let you meet my whole family
This goes backwards, up, this and anyway

HEY! HEY! HEY! HEY! HEY! HEY! HEY! HEY! HEY!

I can't breathe anymore
I'm telling your lies, I'm telling your secrets, I'm telling
on you
I can't see the score
I'm taking it back, I'm taking it back, I'm taking it
[x3]

HEY! HEY! HEY! HEY! HEY! HEY! HEY! HEY!
