She said Oh  
I'm in sand  
From the farm and the girl that's been keeping it up  
I'm so up  
I'm so up and I should self-destruct

She said No  
I'm amazed  
From the maze and the ways that's been keeping me  
up  
I'm so up and I should self-destruct

They said  
She suffered and lived right through this  
I'm sorry I can't rely on you

Remember the sand bar  
Remember the sad  
Went camping in backyards  
We'll go camping again  
Unfold  
Oh No  
I can't know  
So let's go

She said Oh  
I'm in sand  
From the farm and the girl that's been keeping me up  
I'm so up  
I'm so up and I should self-destruct

She said No  
I'm amused  
From the use of the youth that's been keeping me up  
I'm so up and I could self-destruct

She suffered and lived right through this  
I'm sorry I can't rely on you

Remember the sand bar  
Remember the sad

Went camping in backyards  
We'll go camping again  
Unfold  
Oh No  
I can't know  
So let's go
