Just kissed Lilly  
Just kissed Lilly  
Just kissed a whore  
Just kissed Lilly  
Just kissed Lilly  
You don't love me anymore

Just kissed Lilly  
Just kissed Lilly  
What'd you do that for?

Just kissed Lilly  
Just kissed Lilly  
You don't love me anymore

You don't know what she's like  
You don't know what I dream  
You don't know what I think about  
It's much deeper than it may seem  
It's much deeper than it may seem  
You don't know what I think about  
You don't know what I dream

You don't know what she's like  
Just kissed Lilly  
Just kissed a Whore
