Summer sun sitting high in the sky
There's a look that's in everyone's eye
Now the waitin' the anticipatin' is over
Over, over, over
Leave your books and get out in the sun
Summer's here and we're gonna have fun
Schooldays are past and at last
You can really feel free

And you can run in the sun
Havin' fun with the one that you really love
Walk in the sand hand in hand
With the boy that you met on vacation
And on a warm summer night it's all right
When he says, baby I love you
Then boy oh boy you're enjoyin'
Summer love sensation

And you're right on the down of the sea
On the beach where the gang's gonna be
You can stay there all day
Still the fun isn't over
Over, over, over
In the evening he's waiting for you
When you go to the beach barbecue
And you all have a ball
Dancing all until dawn

Come on and run in the sun
Havin' fun with the one that you really love
Walk in the sand hand in hand
With the boy that you met on vacation
And on a warm summer night it's all right
When he says, baby I love you
Then boy oh boy you're enjoyin'
Summer love sensation

Come on and run in the sun
Havin' fun with the one that you really love
Walk in the sand hand in hand
With the boy that you met on vacation
And on a warm summer night it's all right

When he says, baby I love you
Then boy oh boy you're enjoyin'
Summer love sensation

Come on and run in the sun
Havin' fun with the one that you really love
Walk in the sand hand in hand
With the boy that you met on vacation
And on a warm summer night it's all right
When he says, baby I love you
Then boy oh boy you're enjoyin'
Summer love sensation
