You're jus a bitch {B-I-T-C-H}

You're jus a bitch {B-I-T-C-H}

I met her way back when on tour, day ten

I had her bent over backwards, her and her best friend

I was doin her in, makin me cum again and again and  
again and again

Havin a bomb while baby ate my balls

Gobbling all, dick all in her jaws

And you know after I nut

I gotta get the fuck up and hit the cut, bitch

You always 'll be a ho that I know

When it shows in your attitude, it shows in your clothes

Look at her lookin cute in the Channel leather boots

And her pussy got juicer than a Juicy Fruit

Dick gobbler, nut swallower

You know the bitch is a real top scholar

Off ecstasy baby fuckin the best of me

BeyoncÃ© is my Destiny

You're jus a bitch

You're jus a bitch

[Kurupt] Bitch

You're jus a B-[B]-I-[I]-T-C-H {B-I-T-C-H}

You're jus a B-[B]-I-[I]-T-C-H {B-I-T-C-H}

You're jus a bitch

[Kurupt]

She's just a perfect ball blower

I'm a fuckin it up

See all you'll ever be is a bitch to Kurupt

Put it in perspective, all she wanna do is eat some

Put it in perspective, all the bullet do is feed some

Put it in perspective, all I wanna do is beat some

So before I beat it, you can eat it, bitch

These bitches nowadays ain't right

Still havin a good time, all they wanna do is fight

But I ain't got time for it, I'm a say it again

See I ain't got time for it, nor the money to spend  
But you bitch, let me tell you what you could do bitch  
And all you'll ever be to me and my crew bitch  
A dust bag, dirtier than the motherfuckin dirt  
Or I could rat, only good for hittin from the back  
Scandalous than a motherfuckin fat bitch  
Pro'ly would a ate the homie's dick if ain't crackin so
