It's alright no need to question
Taste the life
Just close your eyes
It just takes one by

All you need is my position
Just believe
Come take my hand tonight
And just your dream

I'm falling out to pieces
Slowly losing control

Can it be true
Why can't you see I'm burning for you
There's no disguise in my desires
What can I do?

All you will know
Give me your heart
Give me your soul
I'll tear it apart
So long as you'll never let me go
Oh

On your ear the whisper'll fall in
Show no fear
Just spread your wings
And flashing notice
Legions pain, I hear it calling
Feed the flame
Within becoming cure with the suns arcane

I'm falling out to pieces
Slowly losing control

Can it be true
Why can't you see I'm burning for you
There's no disguise in my desires
What can I do?

All you will know

Give me your heart
Give me your soul
I'll tear it apart
So long as you'll never let me go
Oh

All you will know
Give me your heart
Give me your soul
I'll tear it apart
So long as you'll never
Let me go
Oh
