Shackled in darkness - the forbidden portrait confined
to
it's frame
Unbroken silence - a total misfortune and shame
agression from view
Ragin obsession - this mask of oppression, it hides
your

Your sacrifice this paradise of innocence
This tearing suture renounces the love he once knew
Trust the lie - you falsify the line of truth

You disguise your insolence

Don't deny insanity - mediocrity
Save us from this masquerade of lies
Kings and fools die in ridicule (save us)
Save us from this masquerade of lies

A fallen fortress sees him beneath starless skies
Subsiding deeper - the final farewell in his eyes
Unspoken hero - distrusted and thrust within
surmise
Seizing intrusion to unveil his clever disguise

Your sacrifice this paradise of innocence
Save us from this masquerade of lies
Trust the lie - you falsify the line of truth

Kings and fools die in ridicule (save us)
Save us from this masquerade of lies
[Solo]
Save us from this masquerade of lies
Kings and fools die in ridicule (save us)
Save us from this masquerade of lies
