(PART I) At the Four Corners of the Earth

Lyrics: Romeo-Pinnella

On the edge of paradise

Tears of woe fall, cold as ice

Hear my pain

Renounce, have you, thy name

Eternal is my pain

Eternal is the pain that leads me to the thrones of temptation

Eternal is the pain that leads me to the thrones of temptation...

(PART II) In the Room of Thrones

Instrumental

(PART III) A Gathering of Angels

Lyrics: Romeo

There was a time...

When nine choirs sang the endless melody of light

Music of the spheres

There was a place...

Where mortals embraced thunder and majesty

Their fate lay in our hands

Feel my wings slowly fading - forever lost in time - I cry

(PART IV) The Wrath Divine

Lyrics: Romeo-Miller

The burning conflict I'm feeling

It summons me to descend into the other side

And just beyond the stars blazing

A beam light from a red, velvet moon illuminates me

I will devise, from perfect skies

A dark and vengeful day

Faith and mercy gone astray

With strenght of infinite measure

The mighty sword divides order from choas in the kingdom below

And from the mansions of glory,

This empty soul cries out one final plea...

The end has begun

Our worlds collide, now in disguise

You'll feel the Wrath Divine

Tears of woe fall from the sky...

(PART V) The Prophet's Cry

Lyrics: Romeo

The prophet cries

Vast battalions rage on in the sky

Rising from the north - the bringer of war

Eve of destruction

Summon all who have power over fire

Impending doom from shore to shore

Standing on the edge of paradise

I sacrifice my truth and loyalty

Seven deadly sins consume you all, a dance with death

I taste the victory

(Eternal is the pain that leads me to temptation)

Rising from the north - the warrior prince

Judgement without compassion eyes of fear

Like the river Styx, the gates of hell -

"Abandon hope all ye who enter here"

The prophets cry

As armies fall from the edge of the sky

The Prince of truth, now the bringer of war

The day of wrath

Banish all kings from the face of the land

Dominion for strenght is my name

(PART VI) Bringer of the Apocalypse

Instrumental

Eve of Sacrifice / Armies in the Sky / Dies Irae

(PART VII) Paradise Regained

Lyrics: Allen-Pinnella

Looking out on a blue sky

I can see a new world arising

Like a prisoner unbound

I feel the power and the majesty again

Looking up to the heavens

I can see what I left behind

Beneath the stars, moon and warm sun

And all I know, is my paradise has begun...
