Serpent's Kiss

Covenant of pure corruption
Sink my teeth deep into you
Solemn oath of sheer Destruction
A Nightmare, through and through

In that hour - I'll Devour Hope is Swallowed up in Pain Taste the Venom - Feel the Power Coursing through my Veins

I'm Corruption I'm Destruction, through and through

Trust in me... for I will set you free With a Serpent's Kiss With a Serpent's Kiss

Be my Light, and i wont stray Make me beg, Make me pray Tell me when to laugh or cry, When to live and when to die

Forgotten and Betrayed Rotting and decayed Left to Whither - Without a Voice Left to Slither - Without a Choice

Solo

Crucifier - Spitting Fire
Say your little empty Prayers
This Empire - Growing Higher
.....To This Spite, I Swear

Sharp tongue severs - Like a Razor Swimming in a sea of Rage Vindicators - Masqueraders All the World's my Stage

I Devour

I Empower - God of Pain

Trust in me... for i will set you free With a Serpent's Kiss How could it come to This? With a Serpent's Kiss
