Memories come back
one by one
thoughts of life
and who I've loved
Good times bad times
I've seen your face
one more cycle
in this place
When i see your
face now
i think of life
not knowing how
what it use to be
and what it is now
wanting to change it
without knowing how
I'll win in the end
I'll be with my friend
I'll fight till the end
It's me or u my friend
Time ticks by
forgotten fun
pictures of
the setting sun
One last trip
down the stairs
cause by morning
you wont be there
Where have we gone
What have we seen
Where is my life
Where will I be
My friend
My friend
My friend
My friend
I'll win in the end
I'll be with my friend
I'll fight till the end
It's me or u my friend
hmmmmmmmmmm

hmmmmmmmmmm
hmmmmmmmmmm
hmmmmmmmmmm
