all I know is this  
I cant give you what you want  
So go give the kiss  
Sell yourself for the money  
Cheat for the test  
Go sell all the Honey  
Life is just a test  
Where are we  
Think to see  
what do i think  
I think and see  
Where's the pain  
want to see  
I think its buried  
in me  
Where are we  
Think to see  
what do i think  
I think and see  
Where's the pain  
want to see  
I think its buried  
in me  
Everyday is nothing new  
nobody sees it  
open your eyes and get a clue  
start and make a turn  
Turn around for the money  
no don't do it for that  
Make a turn for the honey  
and don't whack the cat  
Where are we  
Think to see  
what do i think  
I think and see  
Where's the pain  
want to see  
I think its buried  
in me  
Where are we  
Think to see

what do i think  
I think and see  
Where's the pain  
want to see  
I think its buried  
in me  
Where are we  
Think to see  
what do i think  
I think and see  
Where's the pain  
want to see  
I think its buried  
in me  
Condemn for the wrong  
kick out the out casts  
turn your head and hit the gong  
and let the sinners pass
