Yes we are, we're gonna have a good time, yeah, yeah,
yeah

Yes it is, it's a celebration, yeah, yeah, yeah

You and me at the fiesta, you and me, oh yeah, all
night long

You and me at the fiesta, you and me, oh

Chorus

Bailando, Bailando, come on lets dance, lets dance,
it's time to start the party

Bailando, Bailando, come on lets dance, lets dance,
it's time to start the party

Yes they are, everybody's movin', yeah, yeah, yeah

Yes it is, physical temptation, yeah, yeah, yeah

You and me at the fiesta, you and me, oh yeah, all
night long

You and me at the fiesta, you and me, oh

Chorus
