I never meet a person quite like you
Someone that's makes me feel loved
I wanna be the one that you are thinkin of
the one that brightens your day

Because there's nobody else
that can do the things you do
forever I'll be there for you
so when you feel the need to love
let me be the one your thinking of
because I will make it so right

forever (forever)
and ever (and ever)
I will always be there for you
forever (forever)
and ever (and ever)
I will always be there for you baby
I promise

I've got to tell you what I feel in my heart
I wrote this song just to say
no ones ever going to love me
nobody but you
I'm yours from this very day

Because there's nobody else
that can make me feel the way you do
I promise Ill always be true
so when you feel the need to love
let me be the one your thinking of
because I will make it so right

forever (forever)
and ever (and ever)
I will always be there for you
forever (forever)
and ever (and ever)
I will always be there for you baby
I promise
