My babys gifted every time that we touch i can't resist it  
Cause the love that he gives keeps me addicted he's  
got me lifted  
My babys gifted  
My babys gifted every time that we touch i can't resist it  
Cause the love that he gives keeps me addicted he's  
got me lifted  
My babys gifted  
Somebody pinch me (pinch me) i must be dreamin  
(dreamin)  
Cuz i aint never felt like this before,(never felt like this  
before)  
He knows exactly, how to love me (love me)  
And i aint never had to ask for more (no, no)  
(don't know) don't know if it's love, but it's to good to  
let go of (let go of)  
Hes got every thing i need and he's so damn good to  
me  
My babys gifted every time that we touch i can't resist it  
cause the love that he gives keeps me addicted, he's  
got me lifted  
My babys gifted  
Hes always right there ( right there) , he listens to me  
(to me)  
My baby always knows just what to say (always knows  
just what to say)  
And when he loves me, he really loves me (loves me)  
And he can do it in oh so many ways (oh yeah)  
Don't know (know) if it's love (if it's love), but it's to  
good to let go of (let go of)  
Hes got everything I need and he's so damn good to  
me  
My babys gifted (oh yeah) every time that we touch i  
can't resist it (I can't resist it)  
Cause the love that he gives keeps me addicted  
(addicted) he's got me lifted  
My babys gifted (my babys gifted)  
(he knows just what I want,  
He knows just what I need,  
And his love is only, for me)  
(gifted, gifted, gifted, gifted)repeats  
(don't know if it's love, but it's to good to let go of

Hes got everything I need, and he's so damn good to  
me)  
(gifted repeated ends)  
My babys gifted every time that we touch i can't resist it  
Cause the love that he gives keeps me addicted he's  
got me lifted  
My babys gifted (yeah , yeah , yeah)  
My babys gifted every time that we touch i can't resist it  
Cause the love that he gives keeps me addicted he's  
got me lifted  
My babys gifted  
My babys gifted every time that we touch i can't resist it  
Cause the love that he gives keeps me addicted he's  
got me lifted  
My babys gifted  
(yeah, yeah, yeah, yeah, my babys gifted)
