Am I dreaming  
Or is this an illusion  
I cant tell the difference anymore  
Is fascination  
Controlling my emotions  
I cant seem to find out what is real

It's my imagination (It's my imagination)  
It's my imagination (It's my imagination)

I'm always thinking  
And trying to find a reason  
Still I cant explain the way I feel  
It's familiar  
But yet I can't remember  
I guess the answer's locked inside my mind  
It's my imagination (It's my imagination)  
It's my imagination (It's my imagination)

Ilusiones  
Juegan con mi mente  
No puedo explicar mi emosion  
No encuentro  
Razones verdaderas  
Sera sueno o realidad

It's my imagination (It's my imagination)  
It's my imagination (It's my imagination)

It's my imagination (It's my imagination)  
It's my imagination (It's my imagination)
