Hook

Nena tu piel es tan sensual, Que no deajo de imaginar
Poder besarla sin parar, Siento que me vas a quemar
Es tu manera de bailar, Es tu forma de caminar
Es esa forma de mirar, Estoy a punto de estallar

**chorus

Why don't you come talk to me, I know that you want to
be next to me.

verse 1

(Angelina)

I see you watching me boy, Yo se que me estas viendo
You seem to like me boy, La forma que me mueva
Your eyes are telling me that, Quieres bailar conmigo
No tengo miedo, If you don't try you'll never know.

verse 2

(Kumbia Kings)

Siempre que yo te miro, Your always looking fine
Mami me gustas tanto, I gotta make you mines
Estoy desesperado, I'm wanting all your love
Me tienes atrapado, don't know what to do
Why don't you come talk to me, I know that you want to
be next to me.

*Hook

verse 3

(Angelina)

You think you know me pero, Eso no es verdad
If you really need me, Te tienes que acercar
You have to come beside me, Para poder decir
Que soy lo que tu quieres, That all you want is me

verse 2

(Kumbia kings)

Siempre que yo te miro, Your always looking fine
Mami me gustas tanto, I gotta make you mines
Estoy desesperado, I'm wanting all your love
Me tienes atrapado, don't know what to do
