Tell me do you feel my stare
And how I yearn for your touch
And cant you see the look in my eyes
It's cuz I'm wanting your love
I waited for someone to show me (show me)
All my passion inside
And I wanted for someone to know me (know me)
And read between all my lines

Reach out and touch me
I'm calling you
Reach out and touch me
Tonight
Reach out and touch me
I'm calling you
Reach out and touch me
Tonight

I didnt want to show you my feelings
But there was nowhere to hide
And now you're giving me things that I wanted
And it's making me blind
I cant let you go if I wanted (wanted)
I think I've lost all control
I feel your energy running through me (through me)
I dont know which way to go
Reach out and touch me
I'm calling you
Reach out and touch me
Tonight
Reach out and touch me
I'm calling you
Reach out and touch me
Tonight

Reach out and touch me
I'm calling you
Reach out and touch me
Tonight
Reach out and touch me
I'm calling you
Reach out and touch me

Tonight

I waited for someone to show me (show me)
All my passion inside
And I wanted for someone to know me (know me)
And read between all my lines

Reach out and touch me
I'm calling you
Reach out and touch me
Tonight
Reach out and touch me
I'm calling you
Reach out and touch me
Tonight
