Chorus

Tears are falling from my eyes,
and I can't find the reasons why.
Tears are falling from my eyes,
my eyes, tears are falling.

Tears are falling from my eyes,
and I can't find the reasons why.
Tears are falling from my eyes, my eyes, my eyes.

I ask myself how could this be that you walked out on
me?
Now here I am,
alone again, 'cause you abandoned me.
I'll never show it.
I smile all day to try to hide the pain.
Seems like I'm happy and that I wouldn't have it any
other way.

Chorus

And what about the love we shared
and all the memories?
With innocence,
I thought you'd love me for eternity.
I should've seen it,
I can't believe you played me with your selfish game.

My heart is healin' so now
you better know I won't be fooled again.

Chorus

En segiendote, este dolor nunca imagine.
Y lastimandome, recuerdos que nunca olvidare.
Sueno en tus brazos y en despertar,
empiezo a llorar.
Pero voy descubriendo que tengo fuerza en mi y soy
mejor sin ti.
