They tell me I'm a blonde girl singing
but I do it the way I want
And now I'm stepping up to break it
but I keep my feet on the floor

I'm building something strong and systematic
And I don't really care if I go wrong
I'll do this everyday yes I'm an addict
And I'm gonna do it until I'm gone

[Chorus]

And now you wanna do everything like that
Isn't it funny, isn't it funny
And now you wanna keep dancing to this track
Isn't it funny, I knew you would love it
And now you wanna sing my song
You wanna sing my song
You wanna sing my song
You wanna

And now you think it's so addictive
Makes your body want more and more
Making other sounds older
Yeah, it's like nothing you've heard before

I'm building something strong and systematic
And I don't really care if I go wrong
I'll do this everyday yes I'm an addict
And I'm gonna do it until I'm gone

[Chorus]
