A movement is accomplished in six stages

And the seventh brings return.

The seven is the number of the young light

It forms when darkness is increased by one.

Change returns success

Going and coming without error.

Action brings good fortune.

Sunset.

The time is with the month of winter solstice

When the change is due to come.

Thunder in the other course of heaven.

Things cannot be destroyed once and for all.

Change returns success

Going and coming without error.

Action brings good fortune.

Sunset, sunrise.

A movement is accomplished in six stages

And the seventh brings return.

The seven is the number of the young light

It forms when darkness is increased by one.

Change returns success

Going and coming without error.

Action brings good fortune.

Sunset, sunrise
