Alone in the clouds all blue
Lying on an eiderdown.
Yippee! You can't see me
But I can you.
Lazing in the foggy dew
Sitting on a unicorn.
No fair, you can't hear me
But I can you.
Watching buttercups cup the light
Sleeping on a dandelion.
Too much, I won't touch you
But then I might.
Screaming through the starlit sky
Travelling by telephone.
Hey ho, here we go
Ever so high.
Alone in the clouds all blue
Lying on an eiderdown.
Yippee! You can't see me
But I can you
