So, so you think you can tell  
heaven from hell  
Blue skies from pain  
Can you tell a green field  
from a cold steel rail  
A smile from a fair  
do you think you can tell  
Did they get you to trade  
your heros for goals  
Hot ahes for trees  
Hot air for a cool breeze  
Cold comfort for change  
Did you exchange  
A walk on part in the war  
for a lead role in the game  
How I wish, how I wish you were here  
We're just two lost souls swimming in a fish bowl year  
after year  
Runnin' over the same old ground  
But have we found the same old fears  
Wish you were here
