For millions of years mankind lived just like the animals

Then something happened which unleashed the power
of our imagination

We learned to talk

There's a silence surrounding me

I can't seem to think straight

I'll sit in the corner

No one can bother me

I think I should speak now

I can't seem to speak now

My words won't come out right

I feel like I'm drowning

I'm feeling weak now

But I can't show my weakness

I sometimes wonder

Where do we go from here

It doesn't have to be like this

All we need to do is make sure we keep talking

Why won't you talk to me

You never talk to me

What are you thinking

What are you feeling
Why won't you talk to me
You never talk to me
What are you thinking
Where do we go from here
It doesn't have to be like this
All we need to do is make sure we keep talking
Why won't you talk to me
You never talk to me
What are you thinking
What are you feeling
Why won't you talk to me
You never talk to me
What are you thinking
What are you feeling
I feel like I'm drowning
You know I can't breathe now
We're going nowhere
We're going nowhere
