"Keep Talking"

For millions of years mankind lived just like animals

Then something happened which unleashed the power
of our imagination

We learned to talk

There's a silence surrounding me

I can't seem to think straight

I'll sit in the corner

No one will bother me

I think I should speak now

Why won't you talk to me

I can't seem to speak now

You never talk to me

My words won't come out right

What are you thinking

I feel like I'm drowning

What are you feeling

I'm feeling weak now

Why won't you talk to me

I can't show my weakness

You never talk to me

I sometimes wonder

What are you thinking
Where do we go from here
What are you feeling
It doesn't have to be like this
All we have to do is make sure we keep talking
Why won't you talk to me
I feel like I'm drowning
You never talk to me
I know I can't breathe now
What are you thinking
We're going nowhere
What are you feeling
We're going nowhere
Why won't you talk to me
You never talk to me
What are you thinking
Where do we go from here
It doesn't have to be like this
All we need to do is make sure we keep talking
