Leave, when I ask you to leave, Lucy

Please, far way from me, Lucy

Oh, go little girl

Seen, is (oh so) broken up about you, Lucy

Mean, treat me and done me harm, Lucy

Been, in love with you and your charms, Lucy

Oh, go little girl

I'm in love with you, Lucy

You got my heart

You got my heart, oh no!

You tear me apart

You just won't let me go

You hold on so tight, so tight I just can't breath

Now Lucy leave, Lucy

Leave, when I ask you to leave, little girl

Please, far away from me, little girl

Yeah! go little girl

Seen, is (oh so) broken up about you, Lucy

Yeah!

Go
