"Farewell Miss Imperious"

I've never seen a smile
Light up the sky
The same way like yours

I'm losing it
I'll fade away

For a moment I'm blind
You've made me lovesick
Dont play with this beating heart
Because you are the second part
Of my heart

I never thought that love
Was this dangerous
Until it swarmed over us

The hope is gone
Your not my dream

For a moment I'm blind
You've made me lovesick
Dont play with this beating heart
Because you are the second part
Of my heart

For a moment I'm blind
You've made me lovesick
Dont play with this beating heart
Because you are the second part
Of my heart
