Dont say my name, I dont even know you
Blame yourself
You've burned your bridges

I've been fighting for a chance
To show you who I am
Downfall flatters in my head
It's time to go to bed

To get away,
It's not that easy
There are no more doors to be open

I've been fighting for a chance
To show you who I am
Downfall flatters in my head
It's time to go to bed

I've been fighting for a chance
To show you who I am
Downfall flatters in my head
It's time to go to bed
