And thisÂ' as good as it gets
Shot nation be the spot
If you needin a hit, smoke something
And thisÂ' as good as it gets
Shot nation be the spot
If you needin a hit, smoke something nigga
And thisÂ' as good as it gets
Shot nation be the spot

I thank the lord every single yÂ'all play me nigga
This high music is for my 52 80 niggas
This ainÂ't for them weak hearted cry baby niggas
That I was rolling with m high, I see the shady niggas
LetÂ's have a sip of the lick, IÂ'm tryina tilt with this
bitch
She broke and sober so come over, IÂ'm supplying the
fifth
And now she crying a bit, but IÂ'm just tryina hit
So treat it like mount everest, she just wanting the tip

This is for the mile high niggas, the marijuana smokers
The local drug dealers in nikes and penny loafers
The down ass bitches thatÂ's quick to roll you up a
stalker
And pour up drank, until your cup run it over
You the type of nigga that will pose the weak
In the city that made it legal, then you need to leave
Or at least drink something till your body slept over
When you fucking with the nation, you can never stay
sober, you know

And thisÂ' as good as it gets
Shot nation be the spot
If you needin a hit, smoke something
Drink something, stumble a bit
Now put your hands in the air
If you vibing with this
And thisÂ' as good as it gets
Shot nation be the spot
If you needin a hit, smoke something
Drink something, stumble a bit

Now put your hands in the air
If you vibing with this
Smoke something nigga
Now put your hands in the air
If you vibing with this
Smoke something nigga
Now put your hands in the air
If you vibing with this
Smoke something nigga
