[Guru]

Niggaz gotta know we've puttin it down
This shit is certified right here (whoo yes, yes)
No games with this right here
Straight to the di-dome, like this (uhh, uhh)

[Chorus: Bilal]

This right here, has been cer-ti-fied,
for years.. ahhhahhh-ah-ah-ah-ah-ah
He's got soul up in his blueprint, and he's ready to
vocalize
So we, passin the mic your way, come on testify..

[Guru]

Prepare each element with raw street intelligence
Dig the soul this is, complete elegance
Heartbeat delegates when I spit each melon's hit
Like to build ill like, repeat felons get
Plus I'm jazzy and like to dress to impress
It's the baldhead buddha, with the mic caress
And I might suggest, that you broaden your mind
You spend a lot of your time dancin to fraudulent
rhymes
Like a breath of fresh air we gonna, change the pace
Not a mental slave, so save the angry face
It's the return of the mellow voiced maestro, and my
flow
eliminates the comp like Geico,
Insurance - just for your body's endurance
You get more for your money, or your partyin purest
So don't start to get nervous now that we up in the spot
We've been certified for years, you gonna love it a lot

[Chorus]

[Jay Dee]

Who, me? That nigga Jay, Dee (Jay Dee)
Some plod to beats that I, flow to
Run men through, with Gu-ru (Guru)
As for me, I be the nigga that's tight
you got to seeeeeeee

in order for you, to believeeeeeee
Singin these words, with easeeeeeee
Talkin bout, boom - a-shaka-laka
-a-laka-laka-BOOM!
Roll the weed and lose the seeds asshole
You can breathe three-hundred-and-sixty degrees
of HEAT, sing with the soul
Straight from the streets, of Illadelph
Move your feet - ahh-HAH, pimp shit
(It's that pimp shit) Big whips with full clips
Got mad chicks, on my dick
ridin by, so say it loud, in your face!

[Chorus]

[Guru]

Soulful

Tinted window whips, lots of chicks lots of chips
Anything ain't right then the brother's gotta flip
or skinnydip, after a sip of Cognac rap
Any wack wimp with whiskers, I bomb that cat
Alarm that cat, that when we slide through abide to
the rules that's been laid down by (?) true like bibles
I'm liable, to come through, seven deep with Wizzies
and ditch 'em while other ladies whisper, who is he?
Then later leave with eight new ones, me an airtight
Willie
Bout to smack you silly with two guns
So hereby I certify don't care if you feel hurt if I
testify, against your false words or lies
Word to God this is my job I'm workin hard every
minute
Movin up in the rat race, city council to senate
So what you don't get it? You can't front no more
Been certified for years, can't speak to chumps no
more

[Chorus 2X]

[Guru over 2nd repeat]
