Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's crying time

Now they say that absence makes the heart grow
fonder
And that tears are only rain to make love grow
Well, my love for you could never grow cold no
stronger
If I lived to be a hundred years old, yeah now

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's crying time

Now you say you've found someone that you love
better
Well, that's the way it's happened every time before
And as sure as the sun comes up tomorrow
Crying time will start when you walk out the door, hey
now

Oh, it's crying time again, you're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's crying time
