Its been all day
and all evening
i cant believe it
whats been getting sweeter
its been so long
my love is still strong
baby its your touch
that keeps me going on and on

how many time have i told you
youre better that life
i couldnt live without you
you know i couldnt survive

you keep me jumping for joy
keep me needing more
i cant get enough
of your candy store
youre my lollipops my love every single drop
i cant get enough
of your sweet sweet love

like a little boy
in a candy store
i had too much
i still want more
in your eyes
i can see the sunrise
and in your smile
i can see you want to stay a while

how many times have i told you
youre better than life
i cant live without you
you know i couldnt survive

Chorus2x

OOOH ow many times have i told you
youre better than life
i cant live without you
you know i couldnt survive

Chorus2x
