Day by day  
And night by night  
I see you in my mind  
It happens all the time

You know my daydreams stop  
My heart beats on  
I can't take it anymore  
It's you I live for, ho, baby

You are in my system  
I just want you to know that, oh  
You're in my system  
Got me burnin', burnin', baby, oh  
You're in my system, oh  
You're in my system  
Don't you, don't you, don't you know that, baby

I will keep on pushin', pusin'  
Until I get through  
My main objective, baby  
Is to get to you

Turn your mind around  
I know it takes time  
But you know I can't wait, no  
You're on my mind

You are in my system  
I just want you to know that, oh  
You are in my system  
Got me burnin', burnin', baby  
You are in my system, oh  
I just want you to know that, oh  
You are, you're in my system

I keep on pushin', baby

You're in my soul  
Love's got control  
Just can't get enough  
Of your lovin' touch

It's a romantic vision  
Of me and you  
Holding hands on Sunday  
And Monday too

There's no doubt in my mind  
That's I've been true, baby  
You know I'll take you out  
And I keep love new, oh, baby

You are in my system  
I just want you to know that, oh  
You are, you're in my system  
Got me burnin', I'm on fire, baby  
'Cause you're in my system, oh  
Want you to know that, oh  
You are, you're in my system, system  
Got me burnin', oh  
You are, you're in my system  
I just want you to know that, oh  
You are, you're in my system, system  
Everything I need, oh  
You're in my system  
You keep my body alive, baby, oh  
You are, you're in my system  
I see you day and night and night now, oh  
You are, you're in my system  
Everything I need, oh  
You are, you're in my system  
All I need is your body, oh  
You are, you're in my system
