Samayoeru kokoro DOA wo sagashiteru
Koe ni naranai koe naze? to kurikaesu
My drifting heart is looking for the door
The voice which I can't voice out, repeats "why?"

Kinou ni karanda kono yubi ga hanarenai
Amai maboroshi wo ima mo shinjitsuzukeru
Yesterday, these entwined fingers that don't separate
and the sweet dreams--even now I continue to believe
in them

Save me kono meiro kara
Tsunagareta yami kara
Hayaku dashite yobimodoshite
Show me mou ichido dake
Torimodoshitai kara
Miushinatta hontou no watashi
Mitsukedashite yo
Save me From this maze,
from this darkness that is attached to me
Hurry out and return my call
Show me just one more time
Because I want to recover,
start looking for the real me, who was lost

Tozasareta mune no kagi wo sagashiteru
Anata no sono kehai chan to kanjiteru
You're searching for the key to my locked heart
I certainly feel a sign of you

Kabe no mukougawa kono negai todoku no?
Hikari ga mietara tobidashite yuku...dakara
Will this wish reach the other side of the wall?
If the light is visible, it will come out

Save me kikoeteru nara
Sono te wo sashinobete
Kono mujun wo tokiakashite
Show me mou ichido dake
Ano hi no kagayaki wo
Nakushikaketa ikiru kibou wo

Omoide sasete
Save me If you can hear me,
reach out your hands
& investigate this conflict
Show me just once more
Make me remember the existing hope
that began to lose the brilliance of that day

Save me kono meiro kara
Mada akiramenaide
Watashi rashiku I want to smile again
Show you ano hi no egao
Ano hi no kagayaki wa
kitto, kanarazu todokete miseru
Anata no moto e
Save me from this maze
I won't give up yet
I want to smile again like my [old] self
Show you my smile during those days
I'm sure that the brilliance of that day will reach where
you are
