Chakushin rireki  
Anata no namae ga  
konna ni mo watashi  
shiwase ni kaeru  
Your name  
on the back messages  
gets me so happy

Rusuden no koe  
Kurikaeshi kiiteru  
Keitai dake ga  
futari no kyori wo tsunagu no  
I'm listening to your voice  
on the voice mail  
only our cell phones  
connect our distance together

Anata to au tabi ni  
mata atarashii  
watashi ga umareru  
Everytime I meet with you  
a new me is  
born again

Dakara kuyandari shinai no  
That's why I don't regret

\* Doushite hontou no kiseki wa  
shizuka ni kagayaku no  
Anata wo  
ai shite kara wa namida sae mo  
Atatakaku koborete yuku no  
ososugita deai mo sou ima  
unmei to mitsumeaeru no  
Why do the real miracles  
shine quietly?  
After I loved you,  
even my tears  
will spill warmly  
Even the encounter that was too late,  
Yes, right now we can gaze at each other with fate

Ai shite kizutsuku no naraba  
Sono kizu mo itooshiku omou  
If I love & get hurt,  
I'll think lovingly of even those wounds

PAARU MUUN no yoru  
anata kara no denwa  
BERANDA de hanashitetara  
chikaku natta ki ga shita  
On a pearl moon night  
I get a phone call from you  
When I'm talking to you on the veranda,  
it felt like you got closer

Omoide ni nanka dekinai  
Ima futari ikiteru ai shiteru  
I can't make them into memories  
Right now, we have a love that is alive

Dakara mayottari shinai no  
That's why I'm not confused

Doushite hontou no kiseki wa  
hakanaku kagayaku no  
Anata wo  
ai shite hajimete shitta no  
Hontou no yasashisa to kodoku  
iki wo suru you ni  
nemuru you ni anata wo ai shitai zutto  
Why do the real miracles  
shine briefly?  
The 1st time I knew that  
I loved you  
True kindness & loneliness  
Like breathing & sleeping--  
I want to love you forever

Anata mo ima kono yo dokoka de  
hitori de iru to shinjitai...  
I want to believe that right now, you too  
are alone somewhere on this night
