Kisetsu wa itsu no ma ni ka toorisugite yuku  
Dakedo kokoro no naka de  
The season went by before we knew it  
but it's in my heart

Nanika ga hikitomeru  
What he said to me  
Denwa de hanasu koe mo  
my feelings have changed  
Something keeps back  
What he said to me  
Even my voice on the telephone  
my feelings have changed

So jibun no kokoro no naka toikakete miru  
open my heart now  
Dare wo kanjiteru?  
Itsu datte shisen no saki  
Itsumo kimi ga ita-tte koto  
Watashi no kokoro ubau no  
So I will try to ask it in my heart  
open my heart now  
Who am I feeling now?  
Always in front of my gaze,  
you were always there  
stealing my heart

Machijuu momoiro ni sakihokotte iru  
Marude kimi no you da ne  
The whole town is pink & in full bloom  
like you

Kimi no koe wa sotto tsutsumikonde kureru  
but bukiyou na kotoba de  
cause you sorrow  
Your voice softly wraps around me  
but I cause you sorrow with my awkward words

Sunao ni baby tsutaetai no  
Itsumo dokoka de se wo mukete  
Mienai fuan ni

chuucho bakari kekkyoku wa sou  
Nokoru no wa koukai dakedo  
Kiite hoshii yo kono omoi  
I want to tell you honestly, baby  
I'm always somewhere  
just hesitating & turning my back at the invisible  
worries  
and at the end, all that remains is regret  
I want you to listen to my feelings

Donna ni chikaku ni itemo taisetsu na  
koto dake ga ienakute...  
Kono omoi  
No matter how close we are,  
it was only the important things I couldn't say:  
my feelings

Nee jibun no kokoro no naka toikakete mite  
open my heart now  
Kimi wo ima kanjiteru  
Itsu datte shisen no saki  
Itsumo kimi ga ita-tte koto  
Watashi no subete Your only one  
Hey, I try to ask within my heart  
Are you the one I feel now?  
You were always in front of my eyes  
You were always here  
Everything about me, your only one
