Regress - Possession - No likeness
Impress - No virtue - In humbling

In room beyond the view
You choose to tremble in
Drawn and quartered institution
This place is set.

No feeling stronger than numbing
Blankest expressions - you're calling.

Repressed - Adore you - They bought it
Suggest - It's no use - Lay dormant.

In room beyond the view
You choose to tremble in
Reinventing Christ who died
To make it make some sense.

No feeling stronger than numbing
Blankest expressions - your calling.

Calling you.

No feeling stronger than numbing
Blankest expressions - your calling.

Calling you.
