"Two Days"

This all
Is gone in two days

Metamorphosize
And compromised our goals
So quiet is your
Next step through this

BURNED
Everything is gone in two days

Something unstable
To gain peace of mind
Nothing
But empty

Subside
AS I'M SURRENDERING
Crossing over
WHERE THEY CAN'T REACH ME
Pacified
AS IT'S SMOLDERING

ALL STRUCTURES
Who have foundations
Even when
THEY'RE MADE UP OF SHIT
Delayed on
Motivation
Accepting that
IT'S GONE IN TWO DAYS

Sacrificed as long as you hate
Neutralized
I'm wearing thing
Any
Chance that we have had
