Celebration  
An invitation  
To come and join in  
A ring of hands together  
Down the mountains  
Around the fountains  
All come singing  
A ring of hands forever

Tonight I feel excitement  
Coming in the air  
Like a dog tryin' to  
Bark on the wind  
Bright light burnin' torches  
Dacning everywhere  
Take my eyes  
Pull my heart  
As they sing

Celebration  
An invitation  
To come and join in  
A ring of hands together  
Ring of hands  
Ring of hands  
Ring of hands together forever

And if I dance beside you  
Steppin' at your feet  
Take advantage of joy in my eyes  
We can reach the rooftops  
Spinning like a wheel  
In this afternight we can ride

Celebration  
An invitation  
To come and join in  
A ring of hands together  
Ring of hands  
Ring of hands  
Ring of hands together
