You say you're free to run wild,
And I think I'm falling down, I'm falling down.
Your words are spinning around my head,
I think I'm falling down.
And it's so hard believing you're leaving me now
When you wanted me from the start.
Or maybe you're just a little angry, and you're pushing
me out of your
Heart
Into freefall.

Maybe it's the state that you are
That you're longing so hard to be free.
But this is throwing our love so far

Into freefall.

And it's so hard believing you're leaving me now
When you wanted me from the start.
Or maybe you're just a little angry, and you're pushing
me out of your
Heart
Into freefall.

I feel like a child
Whose feelings are hard to hide

You're running so wild
That now I'm confused inside.
Think, you're losing a friend
You're in freefall.
