If you change
Change your mind
If you think it's worth it

Just call me
You'll find me - I need you.
If you get mistreated
If your heart is bleeding

I still want you so bad - I need you.
I tell you words
That no one will hear

Make a diamond out of tears
Believe me.
Forget it all it will break your heart

Come to me and trust in me
Baby

You will never find a love like mine.

I need you
I need you
If you think it's worth it

Day and night I'll be there - I need you.

If you get mistreated
If your heart is bleeding

...

You'll never find a love like mine.

I need you
I need you
If you think it's worth it

...

I need you
I need you
If you think it's worth it

...

If you get mistreated

If your heart is bleeding
