Cause I'm already gone,  
I'm on my way,  
And my will is strong,  
Nothing can make me stay,  
Baby I know,  
It wasn't you, who held me down,  
But I've to go,  
A good love is going back,

Cause I'm already gone,  
This is my life,  
I wanna try it alone,  
Just like a bird in flight,  
Don't think that I,  
Doesn't can mean so much to me,  
Baby I need some time,  
To know where I wanna live,

I surrender, I surrender,  
Then there is nothing to fight about,  
I surrender, I surrender,  
Cause what ever we do,  
Baby I'd never been true,

When I'm already gone,  
Feeling so new,  
For the road I'll be alone,  
I'm ready to win or lose,

Baby I know,  
No ones to say what's wrong or right,  
But I've to go,  
I need to see the light,

I surrender, I surrender,  
Then there is nothing to fight about,  
I surrender, I surrender,  
Cause what ever we do,  
Baby I'll never been true,

I've got to do it baby,

And I just can't help it,  
I need the sun up in the sky,

When I'm already gone,  
I'm on my way,  
And my will is strong,  
Nothing can make me stay,  
Baby I know,  
It wasn't you, who held me down,  
But I have to go,  
A good love is going back,

When I'm already gone,  
This is my life,  
I wanna try it alone,  
Just like a bird in flight...
