Said good bye when I left to your answering machine.
Then you jumped in a plane
Girl
You know what I mean.
Pick up the phone
Oh yeah - pick up the phone
Oh please

I need your voice again
Hearing your voice again.
Waiting so many years
Feeling closer to you -
Not a sign not a trace
Baby
What can I do?
Pick up the phone
Oh yeah - pick up the phone
Oh please

...
Pick up the phone
Let me know - I don't want to lose you
Girl.
Don't hang up
Get in touch
Fill the shadow in my life.
Oh what you're doing now? Inter communication via
satelite -
You can call me long distance
Whatever you like.
Pick up the phone
Oh yeah - pick up the phone
Oh please

...
Pick up the phone

Let me know ...
Oh what you're doing now

Can't we straighten it out

Won't you speak your heart?

Pick up the phone

Let me know -

Pick up the phone

Oh yeah -

Pick up the phone oh please . . .

Pick up the phone

Oh yeah -

Pick up telephone

Oh please ...

Oh please ...
