I really don't know where going to
This place is something new
Don't even feel I'm walking
Is like I dreamed so many times
Every moment so divine
I need to find my baby
Oh sun
Sunshine oh brightly
Oh sun
Time is against me
Oh sun ahhh
Wont you go slowly
I change the place is I'm on the run
Now I'm waiting to the morning comes
(Sun sun, sun sun)
I hear the music comes from the park
This cage is all around
And everybody is dancing
At every place they be they smile
Can you can't loud invincible
If only I could see her

Oh sun
Sunshine oh brightly
Oh sun
Time is against me
Oh sun ahhh
Wont you go slowly
I change the place is I'm on the run
Now I'm waiting to the morning comes
(Sun sun, sun sun)
Fireworks going to the sky
I look about the taste
Idle surpride is magic
Is geting make the sun is going down
Being stranger in the sound
Forget it soon or later
Oh sun
Sunshine oh brightly
Oh sun
Time is against me

Wont you go slowly
Sun ohohoh
Sunshine oh brightly ohohoh
Oh oh sun
