Words, don't come easy, to me,  
how can I find a way,  
to make you see,  
I love you  
words don't come easy

Words, don't come easy, to me,  
this is the only way,  
for me to say  
I love you  
words don't come easy

Well I'm just a music man,  
melodie 's so far my best friend  
but my words are calling out longer  
I reveal my heart to you and  
hope that you'll believe it's true, 'cause

Words, don't come easy to me,  
how can I find a way,  
to make you see,  
I love you  
words don't come easy

This is just a simple song,  
that I've made for you on my own,  
there's no hidden needing, you know that I  
when I say I love you honey,  
please believe I really do, 'cause

Words, don't come easy to me,  
how can I find a way,  
to make you see,  
I love you  
words don't come easy

It isn't easy,  
words don't come easy....

Words, don't come easy, to me,  
how can I find a way,

to make you see,  
I love you  
words don't come easy

don't come easy to me,  
this is the only way,  
for me to say,  
words don't come easy
