Hey Mr.Jack... is that the mouthwash in your eyes?
Hey Mr.Jack... is that the cause of your surprise?
Hey where you at? On the side of the freeway in the car.
Hey where you at? On the side of the freeway in the car.
in the car... on the side of the freeway in the...

Hey Mr.Jack... is that the trick of your disguise?
Hey Mr.Jack... is that the cause of your demise?
Hey where you at? On the side of the freeway in the car.
Hey where you at? On the side of the freeway in the car.
in the car. on the side of freeway in the car. in the car.
On the side of the freeway in the...

7 am, morning. Came to take us away
Little men. Big guns, panted at our heads.
7 am, morning. Came to take us away
Little men. Big guns, pointed at our heads... at our... at our heads

You're perfect to let it go. You ran the land in dark
Protect is on your back... the lights are on the track
You're about to face authority. You're nothing like me
You're about to face authority. You're nothing like me

Put your hands up. Get outta the car.
Put your hands up. Get outta the car.
Put your hands up. Get outta the car.
F*ck you pig. F*ck you pig. F*ck you pig. F*ck you pig.
Put your hands up. Get outta the car!
