{"Sound without focus, is just.. noise"} [Chorus: DJ scratches] "And let's start it like this son" - Raekwon "If you don't like my lyrics you could press fast forward" - Jay-Z "It's all good!" "If this was drugs I'd make a million" - Wyclef Jean "Focused man, my money on my mind" - 50 Cent "Wait, I had to let it marinate" - Nas "What the FUCK!" - Group Home "If you don't like my lyrics you could press fast forward" - Jay-Z "Turn-turn my, turn my headphones up" - Nas "I'm blowin up like you thought I would" - Notorious B.I.G. [Royce Da 5'9"] Nickel, what up Focus...?
