Bad Moon Rising (John Fogerty)

I see a bad moon risin'

I know the trouble's on the way.

Looks like we're in for nasty weather.

I feel a bad time today.

Chorus: Don't go out tonight,

It's bound to take your life.

There's a bad moon on the rise.

I feel the hurricane blowin'

I know the end is coming soon.

I see the river's overflowin'

I hear the voice to raise the ruin.

Hope you got your things together.

Hope you are quite prepared to die.

I think we're in for nasty weather.

Hold on we'll take you for a ride
