Mr. Greed

Why you got to own everything that you see

Mr. Greed

Why you put a chain on everbody livin' free

You're hungerin' for his wife

And your appetite

Will never be denied

You're a devil of consumption

I hope you choke

Mr. Greed

Ho do you get away with robbin'

Did your mother teach you how

I hear you got away with murder

Did you do your mama proud

Mr. Greed

Why you got to take more than you can ever use

Bring 'em to their knees

Isn't it enough just to win

While they lose

You bring no honor to the game

You feast upon the blood and pain

But the bones you hoard
Can only bring you shame
There's corruption in your path
Be that your epitaph
Mr Greed
How do you get away with robbin'
Did you mother teach you how
I hear you got away with murder
Did you do your mama proud
