Oh the midnight
Need a searchlight
Oh the midnight
Need a searchlight
I walk along the rocky shore
The place I lost myself
I search the water look in the sky
I hear the cries for help
I trace my footsteps down to the sea
But then the path disappears
Here in the darkness I'm runnin' blind
Been stumblin' for all of these years
Oh the midnight
Need a searchlight
Oh the midnight
Need a searchlight
What was the demon that made me run
Can I ever hope to understand
I hear my voice echoes on the wind
I try to reach out with my hand
Without a light I might be here forever

Lost for all eternity

There in the darkness slippin through my fingers

The face that smiles back is me

Oh the midnight

Need a searchlight

Oh the midnight

Need a searchlight
