He take the thunder from the mountain  
He take the lightning from the sky  
He bring the strong man to his begging knee  
He make the young girl's mama cry  
You got to hidey-hide  
You got to jump and run  
You got to hidey-hie  
The old man is down the road  
He got the voices speak in riddles  
He got the eye as black as coal  
He got a suitcase covered with rattlesnake hide  
And he stands right in the road  
You got to hidey-hide  
You got to jump up run away  
You got to hidey-hide  
The old man is down the road  
He make the river call your lover  
He make the barking of the hound  
Put a shadow 'cross the window  
When the old man comes around  
You got to hidey-hide

You got to jump and run again

You got to hidey-hidey hide

The old man is down the road

The old man is down the road
